Volunteer Driver Program

Supporting adults with disabilities

Merici City Rides pairs a volunteer driver with an individual with disabilities.

Make a Meaningful Difference in Someone's Life Today.

Over 5,000 adults with intellectual or developmental disabilities live in Indianapolis, the majority do not drive and must rely on others for all transportation needs.

One of the greatest obstacles faced by adults with disabilities is not being able to drive. Not having transportation significantly limits one's ability to integrate into the community, leaving a large percentage of individuals feeling isolated and lonely. Consider giving of your time today.

Rides:

- Easy curbside pick-up and drop-off
- One-way or roundtrip volunteer options with rides beginning or ending in the Lawrence area
- Flexibility – volunteer a little or a lot, whatever fits your schedule

Great Opportunity:

- If you're retired
- At home parent while your children are in school
- Take someone to work on your way to work

Popular on-demand transportation services are too costly and city bus routes are difficult to navigate.

What are the requirements?

- Complete a criminal background check and drug screening
- Complete a short, online drivers training program
- Coordinate your availability and meet your rider
